Thanks, Jayne. We had a call with ODEQ and attorneys on Friday re: the temp ruling and potential impacts/options with the Mid-Coast timing, so I'm looking forward on updating everyone and getting people's thoughts on if and how this will impact the timing of the CZARA Settlement Agreement.

Subject: Revised Agenda on Monday June 4 (10 AM Seattle/OR or 1 PM DC) CZARA 2617 SA Commitments: Feds Only [Call In Number Nonresponsive or Dave Croxton's Office]

CZARA 2617 SA Commitments: Feds Only

Agenda

June 4 (10 AM Seattle/OR or 1 PM DC) [Call In Number Nonresponsive or Dave Croxton's Office]

Goals:

- 1) Discuss new developments
 - 2) Determine how to best address our & OR's ability to meet the settlement schedule
 - 3) Discuss support needed to address EPA/NOAA's assessment
 - 4) Decide on messages that we want to send our upper management on SA progress and support/actions they can provide (and/or messages to send to Oregon DEQ).
- Settlement Agreement Schedule (see attached)[attachment "SA and Exhibit A Schedule.xlsx" deleted by Jennifer Wu/R10/USEPA/US]
 - Which dates are flexible?

- Any actions needed (revise SA dates? Other?)

How to Address Upcoming EPA/NOAA Commitment:

Dec 31, 2012: NOAA and EPA must prepare a written assessment to Oregon DEQ with copy to the plaintiff on whether implementation of the Oregon Coastal TMDL Approach in the Mid-Coast Sub-basins is likely to result in actions that will achieve and maintain WQS and whether Oregon's plan for developing and updating TMDLs for all sub-basins in the CNPCP management area using the Oregon Coastal TMDL Approach could satisfy the outstanding forestry condition. Therefore by December 2012, NOAA and EPA need enough information to develop that assessment. This may be challenging as the draft mid coast TMDL is scheduled for public notice in January 2013 with submittal to EPA by June 2013 (one year later than originally scheduled).

Updates: EPA Attorney's Departure & Other Changes

- Recent Ruling on Oregon's Temperature Standard (Jenny Wu)
- NWEA's request for EPA/NOAA to revisit its conditional approval of the agriculture management measures in OR's CNPCP
- Discussion on its Potential Impact on the CZARA SA

Messages to EPA/NOAA upper management on actions they should take

Actions Items

Regards,

Jayne Carlin, Oregon CZARA/CNPCP Coordinator
